## **PLANNING TO ATTEND?**

Please send your contact  
information to :

Pam Shill  
HCI Graduate Program  
1620 Howe Hall  
pshill@iastate.edu

The HCI Recruiting Open House is an opportunity for students interested in HCI to get an inside look at the program, including opportunities to network with faculty and students and see demos and presentations of current research projects.

If you are applying for admission, you are especially invited to attend.
